### **Cerilliant to Offer RTC Products**

ROUND ROCK, TEXAS – November 15, 2012 – Cerilliant Corporation announces they will be offering RTC products effectively immediately. Cerilliant Corporation and Sigma-Aldrich, RTC are both subsidiaries of Sigma-Aldrich.

RTC is a manufacturer and distributor of Certified Reference Material, Quality Control Samples and Proficiency Testing Samples. Originally focused in the environmental sector, RTC has since expanded its focus to include the pharmaceutical sector. RTC was one of the original Proficiency Test providers recognized by the US EPA. Accreditations and certifications include ISO Guide 34, ISO/IEC 17025, ISO/IEC 17043 and ISO 9001.

RTC products and services include:

- Certified Reference Materials
- Quality Control Standards
- Proficiency Testing standards and programs
- Calibration Standards
- Custom Standards

### **About Cerilliant**

*Cerilliant Corporation, located in Round Rock, Texas, is a global leader in providing certified reference standards for critical applications. The company has been providing certified reference materials for over 30 years. Cerilliant offers more than 3,000 catalog products and a full range of custom products and services that address the stringent and complex requirements of the pharmaceutical, clinical diagnostic, clinical/forensic toxicology, natural products, and environmental industries. Cerilliant sustains a modern, robust quality system which incorporates cGMP, GLP, and ISO requirements. We are accredited to ISO Guide 34 and ISO/IEC 17025 and certified to ISO 13485 and ISO 9001.*
